

Fingerprint Evidence Analysis

Compare these fingerprints against the reference samples. Try to identify who they belong to.

Coconut Water Jug				Notes: Fingerprints taken from a jug containing coconut water at Get Juiced. It had been used to make juices daily for Adrian.
Identified as:				
Water Bottle				Notes: Taken from the last water bottle Adrian used during the ironman. Suprising how strong the first set of prints are. The second two prints are much fainter.
Identified as:				
Gloves near coffee pot				Notes: Gloves found near coffee pot at Park it. Will test for DNA evidence as well.
Identified as:
